### China's Economy & Policy (CEP)

A monthly publication that places unparalleled knowledge and insider expertise at your finger tips. We provide critical **economic and industry analysis, policy insights** and **expert advice** to support business decision-making in China.

## What Makes Us Distinct.

### Government Affiliation

China's Economy and Policy (CEP) is closely affiliated with Chinese **government institutions** and **authoritative research agencies** which enables us to give clients the most up-to-date and accurate intelligence about **economic developments** as well as **policy predictions**.

### Core Strategic Partner:

The Chinese Academy of Social Science (CASS, 中国社会科学院) is the "think-tank" for the Chinese government and strategic corporations. Its Research Base for Industrial Finance (RBIF, 社科院-产业金融研究基地), a team of top-tier economists and industry experts, works together with us to provide clients with exclusive "Insiders' Insights" into the economy, industries and policies, to enable you to successfully develop business opportunities in China and overseas.

### Key Members:

#### Dr. Li Yang

Vice President of the Chinese Academy of Social Sciences (CASS), a Deputy Minister level position; a former member of the Monetary Policy Committee of the People's Bank of China; Chairman, Academic Committee of the Research Base for Industrial Finance (RBIF).

#### Dr. Wang Guogang

Director General of the Institute of Finance and Banking, CASS; Director of the Board, RBIF.

#### Dr. Jin Bei

Director General of the Institute of Industrial Economics, CASS; Deputy Director of the Board, RBIF.

#### Dr. Yang Tao

Director General of RBIF; Secretary General, Research Center for Financial Policy, CASS.
